SEA-PAC 2021

Is in the Rearview Mirror

We hope you were able to join us for our 2021 *SEA-PAC* webinar and enjoyed the really great presentations.

Some of the PowerPoint presentations are already up on the website. We're currently working to make the presentations available online so you can re-enjoy them or catch up on ones you might have missed.

The *SEA-PAC* QSO Party was a big success. A lot of *SEA-PAC* CQs were heard on all the bands. Statistics aren't available yet but will be published when they are. Please submit your QSOs, no matter how few, as instructed on the *SEA-PAC* home page to seapac.qp@gmail.com attn. Ron O'Connor - KD7VIK.

Consider Giving Back to SEA-PAC in 2022

Like so many other worthwhile efforts in life, volunteers are the life blood of SEA-PAC.

If you make it to Seaside in 2022, consider volunteering to help make SEA-PAC a success. Any amount of time you can spare while in Seaside will be appreciated.

All volunteers get a free SEA-PAC Collectors Pin as a token of our appreciation.

We need volunteers for;

- Security

- Exhibitor Hospitality

- Exhibitor Set-up/Load Out

- Flea Market

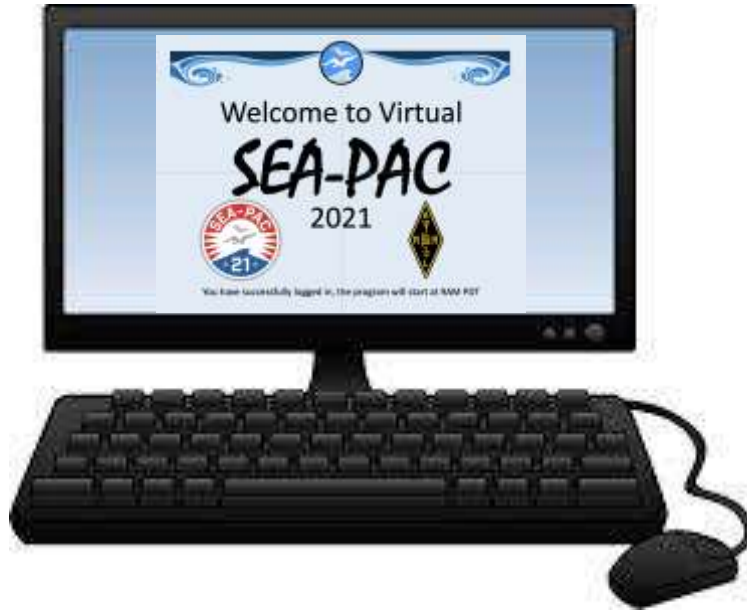

- And other areas

If you're interested in volunteering, send an email to volunteers@seapac.org or call the SEA-PAC message hotline at (503) 882-7388

As a non-profit, the proceeds from SEA-PAC are used to fund next year's convention and support ham radio education, licensing and fellowship among the radio amateurs of Oregon and Southwest Washington. It also funds a scholarship program helping young hams with their college expenses.
